Class : first year

AIM of Industrial Visit:

Industrial visit is considered as one of the tactical methods of teaching. The main reason behind this- it lets student to know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view. Main aim industrial visit is to provide an exposure to students about practical working environment .They also provide students a good opportunity to gain full awareness about industrial practices. Through industrial visit students get awareness about new technologies. Technology development is a main factor, about which a students should have a good knowledge. Visiting different companies actually help students to build a good relationship with those companies. We know building relationship with companies always will always help to gain a good job in future. After visiting an industry students can gain a combined knowledge about both theory and practical. Students will be more concerned about earning a job after having an industrial visit.

Having completed the -month training programme required by the Student Industrial Training Program , which started on the 2023-03-09.

Lorem ipsum dolor sit amet . The graphic and typographic operators know this well, in reality all the professions dealing with the universe of communication have a stable relationship with these words, but what is it? Lorem ipsum is a dummy text without any sense. It is a sequence of Latin words that, as they are positioned, do not form sentences with a complete sense, but give life to a test text useful to fill spaces that will subsequently be occupied from ad hoc texts composed by communication professionals. It is certainly the most famous placeholder text even if there are different versions distinguishable from the order in which the Latin words are repeated. Lorem ipsum contains the typefaces more in use, an aspect that allows you to have an overview of the rendering of the text in terms of font choice and font size . When referring to Lorem ipsum, different expressions are used, namely fill text , fictitious text , blind text or placeholder text : in short, its meaning can also be zero, but its usefulness is so clear as to go through the centuries and resist the ironic and modern versions that came with the arrival of the web..

Here you are, reading an article about writing better. Is it safe to assume that you're procrastinating about writing right now? That's okay—we aren't here to
